

# Georgia Numeracy Project

## WHEN

November 4, 2024  
8:30am – 3:30pm

**Registration Deadline:** October 28, 2024

## CLASS DESCRIPTION

Based on training from the Georgia Department of Education, Griffin RESA offers the Georgia Numeracy Project, a resource for numeracy development that acquaints teachers and teacher leaders with the process by which students build a strong foundation in numeracy and address algebra readiness. The main goal of this project is to help students develop an understanding of numbers, computational operations, and numeracy strategies to use to solve real-world problems. The Georgia Numeracy Project can be used as a resource for MTSS, including Georgia's Multi-Tiered System of Supports. Each participant will receive resources.
