

# The Survivor's Toolkit: Managing and Addressing Behavior Challenges for Students with Disabilities

## WHEN

October 22, 2024  
8:30 am – 3:30 pm

**Registration Deadline:** October 15, 2024

## CLASS DESCRIPTION

Let's not just survive... let's flourish in a proactive design! Students with disabilities often display behaviors that act as barriers to social and academic development. This class will help you better manage the classroom by better addressing behavioral concerns. Responsive educators can prevent and respond to challenging behaviors with strategies that are evidence-based and mindful of students' rights and behavioral needs. Participants will learn a variety of behavior strategies to address concerns ranging from whole-class management to intensive individualized intervention. This class is designed for those educators who work in co-taught, collaborative, and resource settings
